

Granbury Water Safety Awareness Event

Event Description: The Lake Granbury Water Safety Awareness Day is a four-hour event held at the reservoir's Rough Creek Park from 9 a.m. – 1 p.m., Saturday, June 1, 2019. The event was originally scheduled for May 18, but was rained out and rescheduled for the June 1 date. Organized by the staff of the Brazos River Authority's Lake Granbury Reservoir Office, the event is held to promote water safety and provide a community service to Granbury and Hood County including providing free life jackets to local children while supplies lasted.

The event included an invitation to more than 20 local organizations to present booths with water and safety information to the public. Life jackets were donated and purchased by the Lake Granbury Project Office specifically as giveaways.

Rough Creek Park was closed on May 31, 2019 in preparation of the event and for set up. Tables/Stations were set up for each participant.

EVENT GIVEAWAYS

- Children's Life Jackets (244 associated sizes)
- Hot Dogs
- Cooks Children's – Water Watcher cards
- Ready, Set, Wear it! Wrist Bands
- Brazos River Authority Rubber Duckies
- Brazos River Authority Sun Glasses
- Brazos River Authority Floating Key Chains
- Brazos River Authority Waterproof Cellphone Boxes
- Brazos River Authority Frisbees

Outcome: Approximately 400 – 450 people attended the event. Some 244 children's life jackets were distributed during the event. In addition to the vendors above, the Brazos River Authority offered:

- Tours of BRA Lake Patrol Boats
- Water Safety Information Table/Life Jacket Giveaway table
- Free Hot Dogs and bottled water

FREE KID'S LIFE JACKETS THE HIGHLIGHT OF BRAZOS RIVER AUTHORITY'S 4TH ANNUAL WATER SAFETY AWARENESS DAY IN MAY

Granbury, TX – April 23, 2019 - Nobody thinks it will happen to them, but roughly 10 people die each day in America by drowning, according to the Centers for Disease Control and Prevention. And, drowning is 100 percent preventable.

The Brazos River Authority will hold its 4th Annual *Water Safety Awareness Day*, Saturday, May 18, 2018, from 9 a.m. to 1 p.m. at Lake Granbury's Rough Creek Park. The event will feature a kid's life jacket giveaway, an opportunity for kids to fish for free, and much more.

Every layer of protection is important to ensure not even one life is lost, as drownings are 100 percent preventable, said Kyle Lewis, BRA Lake Granbury Lake Ranger and Permit Officer. There remains a large misconception that drowning is loud, involves splashing, and someone bobbing up and down in the water, Lewis said. "It is sudden. It is silent," he said. This event will help everyone learn how to keep their children safe in the water.

This year's event will include fun for the whole family. The BRA will give away free personal floatation devices or life jackets while supplies last. The Texas Parks and Wildlife Kid Fish program will provide fishing equipment and expert instruction on fishing for children that would like to participate. Once again, K-HITS 95.3 FM radio station will broadcast live from this event. And, new this year, Carter BloodCare will hold a blood drive from 9 a.m. - 2 p.m.

Other organizations taking part in the Water Safety Awareness Day will be:

- KID FISH by Texas Parks and Wildlife Department
- Cook Children's Hospital - SAFE Kids North Texas
- Stumpy's Lakeside Grill & North Texas Kayak
- Pecan Plantation Fly Fishing Group
- Academy Sports + Outdoors
- Creations Child Care and Learning Center
- Marksmen Firearms
- YMCA
- Lake Granbury Medical Center
- Texas EMS and local first responders
- Upper Trinity Groundwater Conservation District
- Alluring Pools and Outdoors
- Radiant Swim School
- Carter BloodCare
- And, many others.

Free hot dogs and water will also be available while supplies last. For additional information on the event, contact the Lake Granbury project office at 817-573-3212.

About the Brazos River Authority

The Brazos River Authority, with headquarters in Waco, is the oldest river authority in Texas. Created by the Texas Legislature in 1929, the Authority's 42,000 square-mile territory includes all or part of 70 counties; extending from the Texas-New Mexico border west of Lubbock to the Gulf of Mexico near Freeport.

The BRA built, owns, and operates three reservoirs (Lakes Possum Kingdom, Granbury, and Limestone). In addition to these water supply reservoirs, the BRA contracts with the Corps of Engineers for the water supply storage space at eight federal multi-purpose flood control and water conservation reservoirs (Lakes Whitney, Belton, Proctor, Somerville, Stillhouse Hollow, Granger, Georgetown and Aquilla).

The Brazos River Authority operates a regional wastewater system for the cities of Temple-Belton and the Brushy Creek Regional Wastewater System for the City of Round Rock. The BRA also operates wastewater treatment plants for the cities of Clute-Richwood, Sugar Land, and Hutto. The BRA owns and operates the East Williamson County Regional Water System for the City of Taylor.

The BRA engages in water quality monitoring activities throughout the Brazos River basin. As a member of the Texas Clean River Program, the BRA samples and tests water from more than 100 locations throughout the basin on either a monthly, quarterly or annual basis. For further information on the Brazos River Authority, please contact Judi Pierce, Public Information Officer at 254-761-3103.

FREE FISHING, WATER ACTIVITIES, BLOOD DRIVE JUNE 1 AT LAKE GRANBURY FOR THE WHOLE FAMILY

By Kelly Dean - May 31, 2019

The postponement of the fourth annual Water Safety Awareness Day couldn't fall to a better day. Originally scheduled for May 18, the Brazos River Authority will now host the family-friendly event June 1, which is also the Texas Parks and Wildlife Department's free fishing day across the state. Each year, the state allows a day where everyone can fish recreationally without licenses or endorsements. So while the festivities will include plenty of fishing activities and learning experiences for children, adults can now also use the opportunity near the lake to try their hand at catching a big one.

The event was postponed due to multiple forecasts for severe thunderstorms moving through Granbury, said Lake Granbury Reservoir Manager Connie Tucker.

However, the postponement won't change any of the fun plans scheduled for the event.

The Texas Parks and Wildlife Department's Kid Fish will be on hand for the event to work with youth as one of the many participants in the fourth annual Water Safety Awareness Day.

The fun-filled day hosted by the Brazos River Authority will kick off at 9 a.m. and run until 1 p.m. June 1 at Rough Creek Park, 2209 South Morgan St. in Granbury. Almost 200 kids' life jackets will be given away while supplies last and the free event will feature water safety tips and water safety information. Come visit with area Lake Rangers, walk through the Upper Trinity Groundwater Conservation District water cycle interactive trailer, and get a free hot dog and bottled water while they last. Enjoy fly fishing demonstrations with biologists from the Texas Parks and Wildlife Department while K-HITS 95.3 broadcasts live from the event.

The hope is that every visitor walks away a little more informed about safely living, playing, and enjoying the Brazos River and area reservoirs.

BRA employees picked up 187 kids life jackets from Academy Sports & Outdoors for the event.

Carter BloodCare will also be on site holding a blood drive, and will stay an hour longer than the scheduled festivities to ensure everyone wanting to donate has the opportunity.

The event was made possible with the help of several sponsors, including:

- KID FISH by Texas Parks and Wildlife Department
- Cook Children's Hospital – SAFE Kids Tarrant County

- Lake Granbury Marina and Stumpy's Lakeside Grill
- Pecan Plantation Fly Fishing Group
- Academy Sports + Outdoors
- Creations Child Care and Learning Center
- Progressive Powersports
- YMCA
- Lake Granbury Medical Center
- Texas EMS and local first responders
- Upper Trinity Groundwater Conservation District
- Alluring Pools and Outdoors
- Radiant Swim School

The BRA, city of Granbury, and Hood County commissioners May 3 adopted a proclamation making May "Lifeguard Your Child" month. BRA Board Presiding Officer Cynthia Flores and BRA GM/CEO David Collinsworth joined Hood County Judge Ron Massingill and Granbury Mayor Nin Hulett in the resolution signing.

The Brazos River Authority, city of Granbury, and Hood County commissioners Friday adopted a proclamation making May "Lifeguard Your Child" month. BRA Board Presiding Officer Cynthia Flores and BRA GM/CEO David Collinsworth joined Hood County Judge Ron Massingill and Granbury Mayor Nin Hulett in a resolution signing adjacent to Lake Granbury.

BRA's 4th Annual Water Safety Awareness Day is right around the corner and free lifejackets will be distributed at the event that includes several family-friendly activities: <http://bit.ly/2ZUa9mc>

It's thanks to community support that we can all work better together to ensure safe water practice education and awareness.

There were several water-related tragedies over the holiday weekend and we'd like to offer some education, friendly reminders and free life jackets. So join us Saturday for our fourth annual Water Safety Awareness event in Granbury.

The event is aimed at sharing the important message of water safety with as many people as possible. In turn, we hope those people will then share the same message with their friends and families.

*** RESCHEDULED ***

Due to the weather forecast predicting severe weather near Lake Granbury on Saturday, the 4th Annual Water Safety Awareness Day scheduled for May 18, has been postponed.

We still have 186 kids' life jackets to give away so we're rescheduling for June 1 at Lake Granbury's Rough Creek Park.

The details are the same: The event will run 9 a.m. to 1 p.m. and there will be lots of fun activities, fishing opportunities and hot dogs to enjoy.

Better yet, the event will now run along with Texas Parks and Wildlife Department's state-wide Free Fishing Day when everyone can fish recreationally without licenses or endorsements.

Today's Boating Safety Tip:

In Texas, children less than 13 years of age are required to wear a U.S. Coast Guard approved personal flotation device while boating.

Both children and adults must wear lifejackets while on personal watercrafts.

All boats, including canoes and kayaks, must have one approved personal flotation device for each person onboard.

Be sure you and your family are familiar with which type is necessary for your next trip on the water.

🐟 Saturday is free fishing day in Texas 🐟

On June 1, anyone and everyone can fish on any public body of water in the state without a fishing license.

Texas offers the Free Fishing Day on the first Saturday in June each year to kick off National Fishing and Boating Week.

There are a multitude of events being held across the state June 1, including our own [Rescheduled - 4th Annual Water Safety Awareness Day](#) at Lake Granbury.

Grab your fishing pole and a friend and enjoy the Brazos River Authority's three reservoirs: Possum Kingdom Lake, Lake Granbury and Lake Limestone.

📸 Be sure to post pictures below of your big (or big-spirited) catch tomorrow! We'd love to see them!
